# MESSAGES TO THE GRADS

Dear Class of 2015.

Together we started at St. Edmund. Like most of you, I was worried that I would not know where to go and what to do. However, you were always so good to me that it was not long before I felt at home here. Your special hugs, beautiful smiles and infectious laughter made every day fun. Of course, there were some tears, there was some sickness and there was some blood but that's all water under the bridge now. I have seen you grow into wonderful young ladies and gentlemen and I am so proud. Choose your friends wisely and don't forget to have fun.

Miss Aimée

I feel so incredibly blessed to have had my path cross with this amazing graduating class in their final year at St. Edmund. You are such strong leaders and positive role models for all of our students.

In music class, glee club and band, I am in awe week after week of your talent, work ethic, and perseverance. It inspires me and makes me smile when I think of the gifts you will bring to the world as you grow up and let your lights shine.

Congratulations, and be sure to invite me to all high school music concerts!

Ms. Jennifer

Chers gradué(e)s,  
continuez à travailler fort tout au long de vos études et vous verrez que vos efforts porteront fruits. Je vous souhaite succès et bonheur dans ce que vous entreprendrez.

En toute amitié,

Mme Côté

# MESSAGES TO THE GRADS

To the graduating class of 2015,

I had the privilege of teaching you when you were in grade 1 and again when you were in grade 4. They were special years and it was hard to let you go but alas all good things must come to an end! I enjoyed watching you grow in grade 5 and 6 and will miss seeing you in the hallway! I really enjoyed teaching you "Thriller" and running an "Improv Club" with you! You are sweet, beautiful children and the teachers at St. Edmund felt privileged to call you their students.

It is not often that I quote presidents, but here it goes! When former president George W. Bush once spoke to a graduating class at Yale University, he said: "To those of you who graduated with an A average, I am sure you will go on to do great things. To those of you who graduated with a C- average, perhaps you too will become president of the United States!"

The marks you receive don't mean everything! You are all brilliant in your own way and you if you believe, you can achieve anything!

You won't remember everything you did at St. Edmund, but there will be some people and some moments that you will never forget. And I will certainly never forget you!

Congratulations to all and good luck in high school! Work hard, play hard, make good choices, make best friends and don't ever do anything that won't make your parents proud!

Lots of love,

Mme Amélia Créar 😊

Dear Graduates,

Congratulations! I wish you all great success and happiness in your academic and athletic future I hope you have and healthy and safe summer.
